1 beat factions with henchmen

Due to a lack of humans in any towns i was forced to beat the game with henchmen..... damn that last mission was hard too.

The whole game? Like beating Hell's in Prophecies?

I don't know much about the game. Sorry.

If you beat the whole game already, I have to ask you this:

1) have you slept at ALL since the factions release?
2) haven't you had to urge to do anything social like help out/join up with a guilde or anything like that?
