Post your Survivors... zero deaths title.

I know there are more out there **"Guild Wars God"** has the Indomitable Survivor title with his guild **SoT**. So please post here.

Here's my first. Got her to Survivor today...

Going 55 to get Indomitable... yes risky indeed.

Survivor
Granted to a character who has reached 140,600 experience points without dying. Using the command /deaths must return a zero.
Indomitable Survivor Granted to a character who has reached 587,500 experience points without dying.
Legendary Survivor Granted to a character who has reached 1,337,500 experience points without dying.

Does this mean you can get the other titles if your character has died but hasn't died within 587,500 exp?

I'm still waiting for **"Guild Wars God"** to post Known as **"Cyber Smoke"** here. He was working on a Legendary Survivor with his guild **"SoT"**.
