I'm the kind of person who would never be quite satisfied if I knew I couldn't get as close to perfect titles as possible, so convincing myself to try for this wasn't difficult.

Never again. Most boring grind ever (20 hours with scrolls, although I sacrificed some efficiency for safety, of course).

Just ask a Monk, Necro duo to accompany their uw farming trip.
Take some scrolls and leave if the monk dies.
It's easy :P

Just wanna say thx to:
Public Enemy No One
Mousse Au Chocolat
and to the Running Rangers [RR] especially Laureen Atalante (very nice UW Questing with you)

BTW:if you dont wanna beat your Girlfriend and your Dogs (just joking i would never beat my Dogs ^^),running arround aggressive through your living room, and if you have a weaken heart (i got 3-4 approximately heart attacks while getting under ~40 HP trying to shut down GW fast enough) , then dont try to get this title :P
