What I used to be able to do is bring 2 healer henchmen with me. With SSlip, as soon as I was alive, I would die again. The henchmen would take turns and rez me the instant that I died, letting me gain deaths very fast. Unfortunately, I noticed one day that the henchmen no longer behaved the same way. They both try to rez at the same time, so one of them wastes the rez and then they both sit there for a while until they can cast the spell again. I just assume it was something that ANet changed in the henchmen behavior.

congrats!! well in a good way.. some ppl think its stupid and its a waste of time.. but I think its cool.. u deserve a title for 1,000,000 deaths.. ive seen a lot of people accomplish wierd things.. like a lvl 20 in presearing ascalon..

I have 3000 deaths from doin suicide runs to fight my way through and a lot of suicide farmings..

Congratz thats a very nice achievement.

I'm trying to get a lot of deaths myself as well, I am currently at 1,899 deaths... so I have a long way to go..

Wouldn't it be ironic if he got the survivor title, too?

Well, If my character survived 1,000,000 deaths I would think he/she would deserve the survivor title. Ofcourse, if it was me instead of my character I think we would be talking new religious movement.... On the other hand, maybe the OP is a new religion now in Tyria.

All hail the Blessed of Dwayna and rejected of Grenthe; he whom Grenthe rejected 1,000,000 times; The Ascendant Rejected of Grenthe; The Defeater of Death; The Harbinger with DP; The Prince of the Shrine; All hail the Blessed of Dwayna.

ROFL,
Fitz

you should definitely get a title for that - possibly 'Slow Learner', or 'LEEROY JENKINS', or 'Got HP?', or 'This title cost me over 3000 kWhs', or 'Grenth's Beach' etc.

Now if you really want to accomplish something get ANet to fix the survivor code so you can actually complete the title....Then get the maxed out version of the survivor title and come back and post a SS of you with this title AND still having 1mil deaths...

From what I understand once you die on a charachter you can never get the survivor title. Which is really stuipid IMHO.

It should just reset your counter to zero when you die and you have to start over...

If the charactor is dying then it's not a survivor, its cut and dry. If you want the title and screw up. Just delete the charactor and start over till you get it right.
